

Fill in the gaps

No, I've never done this before	While you sit there and cry for me,
Never wanna do this again	cry for me, cry for me all night
ong turn on a dusty road	I spend a lifetime in jail -yeah that's (7) I do-
did it to myself I can't pretend	I'll be smiling in my cell -yeah thinking about you-
Vell I learned just a little too late	Can't nobody save you now
Good God I must've been blind	So there ain't no use in trying
She got me for everything, everything, everything, alright	Once I get my hands on you, I'mma oh
Like my daddy I'm a (1) man	Natalie, she ran away with all my money
Never been afraid to roll the dice	And she did it for fun
But when I put my bet on her	Natalie, she's probably out there
Little miss Snake Eyes	Thinking it's funny, telling everyone
Ruined my life	Well I'm digging a ditch for this gold-digging bitch
She'd better sleep with one eye open	Watch out she's quick
Better make sure to (2) her door	Look out for a pretty little thing named Natalie
(3) once I get my hands on her	If you see her tell her I'm coming
'mma oh	She'd better run
Natalie, she ran away with all my money	I should've known (8)I should've know
And she did it for fun	better-
Natalie, she's probably out there	Because when we were together
Thinking it's funny, telling everyone	-Because when we were together-
Vell I'm digging a (4)	She (9) said forever -She never said forever-
For this (5) digging bitch	I'm a fool that played her game
Vatch out she's quick	Hey, Natalie, she ran away with all my money
ook out for a pretty little thing named Natalie	And she did it for fun
f you see her tell her I'm coming	Natalie, she's probably out there
She'd better run	Thinking it's funny, telling everyone
The good Lord better (6) your soul	Well I'm digging a ditch for this gold-digging bitch
Because I don't know, I already cursed your name	Watch out she's quick
Oon't matter which way you go	Look out for a (10) little thing named Natalie
Payback's gonna come your way	If you see her tell her I'm coming
ou'll be begging me, please, please, please	She'd better run
And now I look at you, and laugh, laugh, laugh
