

Moonshine by Bruno Mars

Hello, you (1)_____

You look even better than the way you did not before

And the moment that you kissed my lips you know

I (2)_____ to feel wonderful

It's something incredible

There's sex in your chemicals

Oh, let's go

You're the best way I know

To (3)_____ the (4)_____ ordinary

This world ain't for you

And I know for damn sure this world ain't for me

Lift off and say goodbye

Just let your fire set me free

Moonshine, take us to the stars tonight

Take us to that special place

That place we went the last time, the last time

I know I was with you last night

But it feels like it's been so long

And everybody that's around they knows

That I'm not myself when you gone

It's (5)_____ to see you again

Good to see you again

On top of the world

Fill in the gaps

Is where I stand when you're back in my life

Life's not so bad when you're way up this high

(6)_____ is alright, everything is alright

Moonshine, take us to the (7)_____ tonight

Take us to that special place

That place we went the last time, the (8)_____ time

Moonshine, your love it makes me come alive

Take us to that special place

That place we went the last time, the last time

Don't look down, don't you never look back

We are not afraid to die (9)_____ and live fast

Give me good times, give me love, give me laughs

Let's take a ride to the sky

Before the night is gone

Moonshine, take us to the stars tonight

Take us to that special place

That place we went the last time, the last time

Moonshine, your love it makes me come alive

Take us to that special place

That place we went the last time, the last time

Fill in the gaps
