Cloud number nine by Bryan Adams

(1) nine, number nine, number nine	And the moon is out and the stars are bright
Clue number one was (2) you knocked on my	And whatever (5) is gonna be alright
door	Because tonight you will be mine, up on cloud number nine
clue number two was the look that you wore	And there ain't no place that I'd rather be
And that's when I knew, it was a pretty good sign	And we can't go back but you're here with me
That something was wrong	Yeah, the weather is really fine
Uup on cloud number nine	Up on cloud (6) nine
Well it's a long way up	Number nine, number nine, number nine
And we won't come down tonight	Well we won't come down tonight
Well it may be wrong but baby it sure feels right	Yeah we won't come (7) tonight
And the moon is out and the stars are bright	No we won't come down tonight
And whatever comes is gonna be alright	Because the moon is out and the stars are bright
Because tonight you will be mine, up on cloud number nine	And whatever comes is gonna be alright
And there ain't no place that I'd rather be	Because tonight you will be mine, up on cloud number nine
And we can't go back but you're here with me	And there ain't no place that I'd rather be
Yeah, the weather is really fine	And we can't go back but you're here with me
Up on cloud (3) nine	Yeah, the (8) is really fine
He hurt you and you hurt me	Up on cloud number nine
And that wasn't the way it was supposed to be	Yeah we can watch the world go by
So baby tonight let's leave the world behind	Up on cloud number nine
And spend some time up on cloud number nine	
(4) it's a long way up	
And we won't come down tonight	
Well it may be wrong but baby it sure feels right
