

Fill in the gaps

I've been wandering around the house all night	(13) I don't (14) what to do
Wondering what the hell to do	(15) when you're (16)when you'r
Yeah I'm trying to concentrate	gone-
But all I can think of is you	I (17) I'm in love
(1) the phone don't (2)	Days go on and on -on and on-
Because my friends ain't at home	And the nights just (18) so long
I'm (3) of being all alone	Even food don't taste that good
Got the TV on because the radio's playing songs	Drink ain't doing what it should
That remind me of you	Things (19) so wrong
Baby when you're gone	Baby when you're gone
I realize I'm in love	-Ey, turn on back, you shouldn't go-
(4) go on and on	-Ey, when you're gone-
And the nights just seem so long	-Don't go, don't go-
Even food don't taste that good	Baby when you're gone -when you're gone-
Drink ain't doing (5) it should	I realize I'm in love -I'm in love-
Things just feel so wrong	Days go on and on
Baby when you're gone	And the nights just seem so long
I've been driving up and (6) (7)	Even (21) don't taste that (22)
streets	Drink ain't (23) what it should
Trying to find somewhere to go	Things (24) so wrong -so wrong-
Yeah, I'm looking for a familiar face	Baby when you're gone
But there's no one I know	Baby (26) you're gone
Oh, (8) is torture, (9) is pain	(27) when you're gone
It feels like I'm gonna go insane	
I (10) you're coming (11) real	
(12)
