

## Fill in the gaps

I can beat the night	Just (6) out and (7) it on, oh yes
I'm not (1) of thunder	This light is contagious
I am full of light	Go, go tell your neighbours
I am full of wonder	Just (8) out and pass it on, oh yes
I ain't falling under	We ain't falling under
I am full of wonder	We are full of wonder
Though our feet might ache	When everything feels wrong
The world's (2) our shoulders	And darkness falls upon you
No way we're going to break	(9) try sing along
Because we are full of wonder	This is a message from Cabana
We ain't falling under	If your heart turns blue
We are full of wonder	I want you to remember
This light is contagious	This song is for you
Go, go tell your neighbours	And you are (10) of wonder
Just (3) out and (4) it on, oh yes	We ain't falling under
(5) light is contagious	We are full of wonder
Go, go tell your neighbours	We ain't falling under
Just reach out and pass it on, oh yes	We are full of wonder
This light is contagious	
Go, go tell your neighbours
