

## Fill in the gaps

I can beat the night	Just (12) out and pass it on, oh yes
I'm not afraid of thunder	This light is contagious
I am full of light	Go, go tell (13) neighbours
I am full of wonder	Just reach out and pass it on, oh yes
I ain't falling under	We ain't falling under
I am full of wonder	We are full of wonder
Though our (1) (2) ache	(14) everything feels wrong
The world's upon our shoulders	And darkness falls (15) you
No way we're going to break	Just try sing along
(3) we are full of wonder	This is a (16) (17) Cabana
We ain't falling under	If (18) heart (19) blue
We are full of wonder	I (20) you to remember
This (4) is contagious	This song is for you
Go, go tell (5) neighbours	And you are full of wonder
(6) reach out and (7) it on, oh yes	We ain't (21) under
(8) light is contagious	We are full of wonder
Go, go tell your neighbours	We ain't falling under
(9) (10) out and pass it on, oh yes	We are (22) of wonder
This (11) is contagious	
Go, go tell your neighbours
