Fill in the gaps

Big bright world by Garbage

We are difficult to understand
It was hard to make this simple plan work
Difficult, but that's what made it burn
You're a satellite around my heart
One million miles before the start
Indescribable, but that's what makes it you
Shivers up and down my spine
Feed to the teeth
Inside this big bright world
Inside this big bright world
Inside this big (1)_____ world
We rage against the dying
(2)_____ against the dying light
You're mysterious, you make no sense
I love you because you're innocent
You fell out (3)_____ a (4)_____ inside the sun
So magnify the best inside me
Build the parts so you can't find me
The (5)_____ that won't (6)_____ out when things get hard
Shivers up and down my spine
Feed to the teeth
Inside this big bright world
(7)_____ this big bright world
Inside this big bright world
Round and around in the setting sun
Round and around in the (8)_____ sun
(9)_____ and around in the setting sun
Round and (10)_____ and around and around and around
Inside this big bright world
Inside this big bright world
Inside this big bright world
Rage against the dying

I'm with you
