

We throw tantrums like parties	
We're not happy till everyone	
Knows we're sick	
And that's (1) how we like it	
We've hurt bad enough, right, we've earned it	
Don't tell the others	
But it's all getting old, I mean	
How many more times must our stories be told?	
And being lonely's only fun in a (2)	
It sort of loses it's charm when it's true	
I meant it when I said	
I wanna get well, I wanna get well	
Are the (3) of you so content?	
Stay where you are but it hurts like hell	
And I'm sure it's fun at first	
Test your (4) and (5)	your vitals
If it's (6) a game you lost me	
I (7) it with the suicidal recital	
So now you know all my secrets	
I (8) out, I know I don't (9)	this
Can you find ma frianda	
Can you find me friends	
That don't rank me on what I've been through?	
	you
That don't rank me on what I've been through?	you
That don't rank me on what I've been through? The more battle scars the more attention it gets t	you
That don't rank me on what I've been through? The more battle scars the more attention it gets Don't tell the others	you
That don't rank me on what I've been through? The more battle scars the more attention it gets to Don't tell the others But it's all getting old, I mean	you

## Fill in the gaps

I wanna get well, I wanna get well
Are the rest of you so content
Stay where you are but it (11) like hell
And I'm sure it's fun at first
Test your pulse and check your vitals
If it's only a game you lost me
I quit it with the suicidal recital
Yes, we should've known it would end this way
What did you expect, pretended it all (12)
And all we've got (13) is a (14) pile
of hearts
I'm getting out, gonna write myself a new start
Come on dry your eyes, (15) me on the
(16) side
Run as fast as you can and we'll make it out alive
