When you first left me I was wanting more	But with a little help (13) my friends
But you (1) (2) that girl next	I found a light in the tunnel at the end
door,	Now you're calling me up on the phone
What did you do (3) for? (What did you do that	So you can (14) a little whine and a moan
for?)	And it's only (15) you're feeling alone
When you (4) left me I didn't know what to say	At (16) (17) I see you cry,
I've (5) been on my own that way, just sat by	Yeah it (18) me smile, yeah it makes me smile
myself all day	At (19) I feel bad for a while,
