Fill in the gaps

In the blink of an eye I was (1) from the	(14) keep talking, talking, talking
sky	But we're walking, walking
In the blur, you took my breath away	To the light tonight, tonight
And my heart starts beating	You're like a laserlight
And my (2) start breathing	Burning down, burning (15) on me
And the voice in my head (3) screaming:	(16) like a laserlight
I'm alive	Burning down, burning down on me
You're like a laserlight	You make me feel good, you make me feel safe
Burning down, burning (4) on me	You (17) me feel (18) I car
(5) (6) a laserlight	(19) another day
Burning down, burning down on me	You (20) me feel good, you make me
You make me feel good, you make me feel safe	(21) safe
You make me feel like I can (7) another day	You know I wouldn't have it any other way
You make me feel good, you make me (8) safe	-Have it any other way-
You know I (9) it	There's no stop, stop, stop
any (11) way	I won' stop stop, stop
-D, D, D, David G-	We won't stop, stop, stop
