

## Fill in the gaps

Riding through the city on my bike all day	Sun is in the sky, oh why, oh why
'Cause the filth took (1) my license	Would I wanna be anywhere else?
It doesn't get me down and I (2) O.K.	Sun is in the sky, oh why, oh why
'Cause the sights that I'm seeing are priceless	Would I wanna be anywhere else?
Everything seems to look as it should	When you look with your eyes
But I wonder what goes on behind doors	Everything seems nice
A fella (3) dapper, but he's sitting	But if you (8) twice
(4) a slapper	You can see it's all lies
Then I see it's a pimp and his crack whore	Life, yeah that's city life, yeah that's city life, yeah that's city
You might laugh, you might frown	life
Walking 'round London town	Life, yeah that's city life, yeah that's city life, yeah that's
Sun is in the sky, oh why, oh why	(9) life
Would I wanna be anywhere else?	Sun is in the sky, oh why, oh why
Sun is in the sky, oh why, oh why	Would I (10) be anywhere else?
Would I wanna be anywhere else?	Sun is in the sky, oh why, oh why
When you look with your eyes	Would I wanna be anywhere else?
Everything seems nice	Sun is in the sky, oh why, oh why
But if you look twice	Would I wanna be anywhere else?
You can see it's all lies	Sun is in the sky, oh why, oh why
There was a little old lady who was walking down the road	Would I wanna be anywhere else?
She was struggling with bags from Tesco	When you look with your eyes
There were people from the (5) having lunch in the	Everything seems nice
park	But if you look twice
I believe that it's called al fresco	You can see it's all lies
When a kid came (6) to offer a hand	When you look with your eyes
But before she had time to (7) it	Everything seems nice
Hits her over the head, doesn't care if she's dead	But if you look twice
'Cause he's got all her jewellery and wallet	You can see it's all lies
You might laugh, you might frown
