

## Fill in the gaps

Riding through the city on my blke all day	Sun is in the sky, on why, on why
'Cause the filth took away my license	Would I wanna be anywhere else?
It doesn't get me down and I feel O.K.	Sun is in the sky, oh why, oh why
'Cause the (1) that I'm seeing are priceless	Would I (5) be anywhere else?
Everything (2) to look as it should	When you look with (6) eyes
But I wonder what goes on behind doors	Everything seems nice
A fella looking dapper, but he's sitting with a slapper	But if you look twice
Then I see it's a pimp and his crack whore	You can see it's all lies
You might laugh, you might frown	Life, yeah that's city life, yeah that's city life, yeah that's city
Walking 'round London town	life
Sun is in the sky, oh why, oh why	Life, yeah that's city life, yeah that's city life, yeah that's city
Would I wanna be anywhere else?	life
Sun is in the sky, oh why, oh why	Sun is in the sky, oh why, oh why
Would I wanna be anywhere else?	Would I wanna be anywhere else?
When you look with your eyes	Sun is in the sky, oh why, oh why
Everything seems nice	Would I (7) be anywhere else?
But if you look twice	Sun is in the sky, oh why, oh why
You can see it's all lies	Would I wanna be anywhere else?
There was a little old lady who was walking down the road	Sun is in the sky, oh why, oh why
She was struggling with bags from Tesco	Would I wanna be (8) else?
There were people (3) the city having lunch in the	When you look with your eyes
park	Everything seems nice
I believe that it's called al fresco	But if you look twice
When a kid came along to (4) a hand	You can see it's all lies
But before she had time to accept it	When you look with your eyes
Hits her over the head, doesn't care if she's dead	Everything (9) nice
'Cause he's got all her jewellery and wallet	But if you look twice
You might laugh, you might frown	You can see it's all lies
Walking 'round London town
