I never had (1)	happen so fast	Without a warning	
Took one look and I shattered like glass		Like night (6)	the morning begins the day
I guess I let it show		I was swept away	
Cause your smile told me you knew		Away, seeing my tomorrow's in your eyes	
That you're everything I ever wanted at once		I was swept away	
There's no holding this heart		Oo, I hope I wake up soon	
When it knows what it wants		Oo, I'm a victim of (7)_	crazy moon
And I never wanted anything more t	han to (2) you	The very first time you said my name	
I was swept away		I knew it would never sound the same	
No one in the world but you and I		Something about me has changed forever	
Gotta find a way		Can't you see I am swept away	
To make you feel the way that I do		No one in the (8)	but you and I
I was swept away		Gotta find a way	
Without a warning		To (9) you feel the way that I do	
Like night when the morning begins the day		I am swept away	
I was swept away		Without a warning	
And so it begins		Like night when the morning begins the day	
This journey of love		I was swept away	
The summer wind carries us to places all our own		Away, seeing my tomorrow's in your eyes	
The words of a look		Gotta (10) a way	
The language of touch		To make you feel the way that I do	
The way that you want me means so much		I was swept away	
And I never (3) anything more		Without a warning	
Than to love you		Like night when the morning begins the day	
I am swept away		I was swept away	
No one in the world but you and I		We were swept away	
Gotta find a way		Dreaming of you	
To (4) you feel the way that I do		Swept away	
I am (5) away
