Fill in the gaps

Good Riddance (time Of Your Life) by Green Day

Another (1) point, a fork stuck in the road
Time grabs you by the wrist, directs you where to go
So make the best of this test, and don't ask why
It's not a question, but a lesson (2) in time
It's something unpredictable, but in the end it's right.
I hope you had the time of your life.
So take the photographs, and (3) frames in your mind
Hang it on a shelf in good health and good time
Tattoos of (4) and dead skin on trial
For what it's (5) it was worth all the while
It's something unpredictable, but in the end it's right.
I (6) you had the (7) of your life.
I (6) you had the (7) of your life. It's something unpredictable, but in the end it's right.
It's something unpredictable, but in the end it's right.
