

## Fill in the gaps

I'm sitting down here, but hey, you can't see me
(1) words cut rather deeply
They're just some other lies
I'm hiding from a distance
I've got to pay the price
Defending all against it
I really don't know why
You're obsessed with all my secrets
You always make me cry
You seem to want to hurt me
No matter what I do
I'm telling just a couple
But somehow it gets to you
But I've learned to get revenge
And I swear you'll experience that someday
I'm sitting down here, but hey, you can't see me
Kind of invisible, you don't sense my stay
Not really hiding, not (2) a shadow
Just (3) I would join you for one day
I'm sitting down here but hey, you can't see me
I'm not trying to avoid you
Just don't wanna hear your voice
When you call me up so often
I don't really have a choice
You're talking like you know me
And wanna be my friend
But that's really too late now
I won't try it once again
You may think that I'm a loser
That I don't really care
You may think that it's forgotton

But you should be aware
But I've learned to get revenge
And I swear you'll experience that someday
I'm sitting down here, but hey, you can't see me
Kind of invisible, you don't sense my stay
Not really hiding, not like a shadow
Just thought I would (4) you for one day
I'm sitting (5) here, but hey, you can't see me
