

Fill in the gaps

I'm sitting down here, but hey, you can't see me	But you should be aware
(1) words cut (2) deeply	But I've learned to get revenge
They're just some other lies	And I swear you'll experience that someday
I'm (3) from a distance	I'm (5) down here, but hey, you can't see
I've got to pay the price	me
Defending all against it	Kind of invisible, you don't sense my stay
I really don't know why	Not really hiding, not like a shadow
You're obsessed with all my secrets	Just thought I would join you for one day
You always make me cry	I'm (6) down here, but hey, you can't see
You seem to want to hurt me	me
No matter what I do	Kind of invisible, you don't sense my stay
I'm telling just a couple	Not really hiding, not like a shadow
But somehow it gets to you	Just thought I would join you for one day
But I've learned to get revenge	You seem to (7) to hurt me
And I swear you'll experience that someday	No matter what I do
I'm sitting down here, but hey, you can't see me	I'm telling (8) a couple
Kind of invisible, you don't sense my stay	But somehow it gets to you
Not really hiding, not like a shadow	But I've learned to get revenge
Just thought I would join you for one day	And I swear you'll experience that someday
I'm sitting down here but hey, you can't see me	I'm sitting down here, but hey, you can't see me
I'm not trying to (4) you	Kind of invisible, you don't sense my stay
Just don't wanna hear your voice	Not really hiding, not like a shadow
When you call me up so often	Just thought I would join you for one day
I don't really have a choice	I'm sitting down here, but hey, you can't see me
You're talking like you know me	Kind of invisible, you don't sense my stay
And wanna be my friend	Not really hiding, not like a shadow
But that's really too late now	Just thought I would join you for one day
I won't try it once again	I'm sitting (9) here, but hey, you can't see me
You may think that I'm a loser	Kind of invisible, you don't sense my stay
That I don't really care	Not really hiding, not like a shadow
You may think that it's forgotten	Just thought I would join you for one day

- 1. Your
