

Fill in the gaps

It's five o'clock in the morning	Are you mine? are you mine?
Conversation got boring	Because I stay here all the time
You said you're (1) to bed soon	Watching telly, (8) wine
So I (2) off to your bedroom	Who'd have known? who'd have known?
And I thought I'd just wait there	When you flash up on my phone
(3) I (4) you come up the stairs	I no (9) feel alone
And I pretended I was sleeping	Let's just stay, let's just stay
I was hoping you would creep in with me	I wanna lay in bed all day
Put your arm around my shoulder	We'll be laughing all the way
It was good, till it got colder	Told your friends, they all know
And we moved closer in, together	We exist, but we're taking it slow
And started talking about the weather	Let's just see how it goes
Said tomorrow would be fine	Now, let's see how it goes
And we could watch a place in the sun	En el cartel del vídeo:
I didn't know where this was going	-I want you to know that I have fallen deeply in love with
(5) you kissed me	Lily-
Are you mine? are you mine?	Are you mine? are you mine?
Because I stay here all the time	Because I stay here all the time
Watching telly, drinking wine	Watching telly, drinking wine
Who'd have known? who'd have known?	Who'd have known? who'd have known?
When you flash up on my phone	When you flash up on my phone
I no (6) feel alone	I no longer feel alone
No longer feel alone	Let's just stay, let's (10) stay
Haven't left you for days now	I wanna lay in bed all day
And I'm becoming amazed how	We'll be laughing all the way
You're quite affectionate in public	Told your friends, they all know
In fact, your friend said it made her (7) sick	We exist, but we're taking it slow
And even now it's moving forward	Let's just see how it goes
It's just the right amount of awkward	Now, let's see how it goes
And today, you accidentally called me baby
