

## Fill in the gaps

It's (1) o'clock in the morning	Are you mine? are you mine?
Conversation got boring	(15) I stay (16) all the time
You said you're going to bed soon	Watching telly, drinking wine
So I snuck off to your bedroom	Who'd have known? who'd (17) known?
And I thought I'd just wait there	When you (18) up on my phone
Until I heard you (2) up the stairs	I no longer feel alone
And I (3) I was sleeping	Let's (19) stay, let's just stay
I was hoping you would creep in with me	I wanna lay in bed all day
Put (4) arm (5) my shoulder	We'll be laughing all the way
It was good, till it got colder	Told your friends, they all know
And we moved closer in, together	We exist, but we're taking it slow
And (6) talking about the weather	Let's just see how it goes
Said (7) (8) be fine	Now, let's see how it goes
And we could watch a place in the sun	(20) el cartel del vídeo:
I didn't (9) where this was going	<em>-I (21) you to know (22) I have</em>
When you kissed me	fallen (23) in love with Lily-
Are you mine? are you mine?	Are you mine? are you mine?
Because I stay here all the time	Because I stay here all the time
(10) telly, drinking wine	(24) telly, drinking wine
Who'd (11) known? who'd have known?	Who'd have known? who'd (25) known?
When you flash up on my phone	(26) you flash up on my phone
I no longer (12) alone	I no (27) (28) alone
No longer feel alone	Let's just stay, let's (29) stay
Haven't left you for days now	I wanna lay in bed all day
And I'm becoming amazed how	We'll be laughing all the way
You're quite (13) in public	Told your friends, they all know
In fact, your friend said it made her feel sick	We exist, but we're taking it slow
And even now it's moving forward	Let's just see how it goes
It's just the right amount of awkward	Now, let's see how it goes
And today, you accidentally, (14) me haby
