

Fill in the gaps

Come Talk To Me by Peter Gabriel

Ah please (1)_____ to me
Won't you (2)_____ come talk to me
Just like it used to be
Come on, come talk to me
Come on, come talk to me
The wretched (3)_____ takes its form,
the jackal (4)_____ and tight
In search of you, I feel my way,
though the slowest heaving night
Whatever fear invents, I
I swear it (5)_____ no sense
I reach through the border fence
Come down, (6)_____ talk to me
In the swirling, curling storm
of desire unuttered words hold fast
With reptile tongue,
the lightning lashes towers built to last
Darkness creeps in like a thief
and offers no relief
Why are you (7)_____ like a leaf
Come on, come talk to me
Ah please talk to me
Won't you please come (8)_____ to me
We can unlock this misery
Come on, come talk to me
[Chorus 1:]
I did not come to steal
This all is so unreal
Can't you show me how you (9)_____ now
Come on, (10)_____ talk to me
Come talk to me
Come talk to me
The earthly power sucks
shadowed milk from sleepy tears undone
From nipped (11)_____ as smooth as silk

the (12)_____ (13)_____ as one
You lie (14)_____ with your eyes half closed
like there's no-one there at all
There's a tension (15)_____ on your face
Come on, (16)_____ talk to me
Ah (17)_____ talk to me
Won't you please come talk to me
Just like it used to be
Come on, come talk to me
Come on, come talk to me
Don't you ever change (18)_____ mind
Now your future's so defined
And you act so deaf and blind
(And you act so deaf so blind)
Come on, come talk to me
Come talk to me
Come talk to me
I can imagine the moment
Breaking out (19)_____ the silence
All the things that we both might say
And the (20)_____ it will not be denied
'Til we're (21)_____ on the same (22)_____ side
All the barriers blown away
I (23)_____ please talk to me
Won't you (24)_____ come talk to me
Just like it used to be
Come on, come talk to me
I did not come to steal
This all is so unreal
Can you show me how you feel now
Come on, (25)_____ (26)_____ to me
Come talk to me
Come talk to me

Fill in the gaps

Answer
