But I got to, loc

As I grow I see myself

In the pistol smoke, fool

I'm the kinda G the (4)_____ homies wanna be like

Set tripping banger

And my homies is down so don't arouse my anger, fool

Death ain't nothing but a heartbeat away

I'm living life, do or die, what can I say?

I'm 23 now, but will I live to see 24

The way things are going I don't know

Tell me why are we, so blind to see

That the ones we hurt, are you and me

Power and the money, money and the power

Minute after minute, hour after hour

Everybody's running, but half of them ain't looking

What's going on in the kitchen

But I don't know what's cooking

They say I gotta learn,

But nobody's here to teach me

If they can't understand it, how can they reach me

I guess they can't, I guess they won't

I guess they front

That's why I know my life is out of luck, fool
