Well, I tried to fake it
Baby, I tried to (1)_____ it
But that's some kind of (2)_____ you got over me
You're a heavenly vision
Going to make it my mission
Do whatever it takes to get you with me
Everywhere I go
Yeah, no one else I know
That shines as bright as you in my telescope
I tried to let it fade
But I can't get away
I really hope you're listening
Because I never thought I would say
I can't help myself from falling in love
From falling in love with you, yeah
I can't help myself from taking the drug
From taking the drug
It's you, yeah
It happens every time
Can't get you off my mind
And anybody else better wait in line
I can't help myself from falling in love
From falling in love with you, yeah
Every time you come calling
Didn't think I'd be falling
Never thought It'd be you

Love was something to run from

Everywhere I go
