(1) right, turn off the lights	All my underdogs
We're going to lose our minds tonight	We will never be never be anything but loud
What's the dealio?	And nitty gritty dirty little freaks
I love when it's all too much	Won't you come on and come on and raise your glass
5 am turn the radio up	Just come on and come on and raise your glass
Where's the rock and roll?	Won't you come on and come on and raise your glass
Party crasher, penny snatcher	Just come on and come on and raise your glass
Call me up if you want gangsta	-Oh shi*t my glass is empty, that sucks-
Don't be fancy, just get dancey	So if you're too school for cool
Why so serious?	And you're treated like a fool
So raise your glass if you are wrong	You can choose to let it go
In all the right ways	We can always, we can always
All my underdogs	(5) on our own
We will never be never be anything but loud	So raise your glass if you are wrong
And nitty gritty dirty little freaks	In all the right ways
Won't you come on and come on and raise your glass	All my underdogs
Just come on and come on and (2) your glass	We will (6) be (7) be anything but
