

Fill in the gaps

Made a wrong turn, (1) or twice	The whole world stares
Dug my way out, blood and fire	while I (12) the fear
Bad decisions, that's alright	The only thing I should be drinking is an ice cold beer
Welcome to my silly life	So (13) in lying and we tried, tried, tried
Mistreated, misplaced, misunderstood	But we try too hard,
Mis, no way it's all good,	it's a waste of my time
it didn't slow me down	(14) looking for the critics
Mistaken, (2) second guessing	because they're everywhere
Underestimated, look, I'm still around	They don't like my genes, (15) don't get my hair
Pretty, pretty please, don't you ever, (3) feel	Strange ourselves
Like you're less than, fucking perfect	and we do it all the time
Pretty, pretty please, if you ever, (4) feel	Why do we do that? Why do I do that?
Like you're nothing you are fucking perfect to me	Why do I do that?
You're so (5) when you talk	Yes, I'm pretty, pretty, pretty
(6) yourself, you are wrong	Pretty, pretty please, don't you ever, (16) feel
Change the voices in your head	Like you're (17) than, fucking perfect
Make them like you instead	Pretty, pretty please, if you ever, ever feel
So complicated, look how big you'll make it	Like you're nothing, you are fucking perfect to me
Filled with so (7) hatred, (8) a tired	You are perfect, you're perfect
game	Pretty, (18) please if you ever, ever feel
It's enough, I've done all I can (9) of	Like you're less than, fucking perfect
Chased down all my demons, see you do the same	Pretty, (19) please if you ever, ever feel
Pretty, (10) please, don't you ever, ever feel	Like you're nothing, you are perfect to me
Like you're (11) than, fucking perfect	
Pretty, pretty please, if you ever, ever feel	
Like you're nothing, you are fucking perfect to me
