## We found love by Rihanna

## Fill in the gaps

<em>Rihanna speaking:</em>		Shine a light through an open door	
<em>"It's (1) screaming and no one can hear.</em>		Love and life I will divide	
You always feel ashamed		Turn away cause I need you more	
that someone could be that important		Feel the heartbeat in my mind	
that (2) them, you feel like nothing.		It's the way I'm feeling	
No one will ever (3)	how much it	I just can't deny	
hurts.		But I've gotta let it go	
You feel hopeless, like nothing can save you.		We found love in a hopeless place	
Then when it's over, then it's gone,		We (7) love in a hopeless place	
you almost wish you could have all that bad stuff back,		We found love in a hopeless place	
so that you can have the good.		We found love in a hopeless place	
		Yellow diamonds in the light	
Yellow diamonds in the light		And we're standing side by side	
And we're standing side by side		As your (8) crosses mine	
As your shadow crosses mine		We found love in a hopeless place	
What it takes to come alive		We found love in a hopeless place	
It's the way I'm feeling		We found love in a hopeless place	
I just can't deny		We found love in a (9) place	
But I've gotta let it go		(bis)	
We found (4) in a (5)	place		
We found love in a hopeless place			
We found love in a (6) place	e		
We found love in a hopeless place
