Hips don't lie by Shakira				
Ladies up in here tonight				
No fighting, no fighting				
We got the refugees up in here				
No fighting, no fighting				
Shakira, Shakira				
I never really knew that she could dance like this				
She makes a man wants to speak Spanish				
<em>Como se llama, bonita, mi casa</em>				
-Shakira, Shakira-, su casa				
Oh baby when you talk like that				
You make a woman go mad				
So be wise and keep on				
Reading the signs of my body				
And I'm on tonight				
You (1) my hips don't lie				
And I'm starting to feel it's right				
All the attraction, the tension				
Don't you see baby, this is perfection				
Hey girl, I can see your body moving				
And it's driving me crazy				
And I didn't have the slightest idea				
Until I saw you dancing				
And when you walk up on the dance floor				
Nobody cannot ignore the way you move your body, girl				
And everything's so unexpected				
The way you right and left it				
So you can keep on taking it				
I never really knew that she could (2) like this				
She makes a man want to speak Spanish

Oh baby when you talk like that				
You know you got me hypnotized				
So be wise and keep on				
Reading the signs of my body				
<em>Señorita</em> , feel the conga, let me see your move				
Like you come from Colombia				
<em>Mira en Barranquilla se baila así,</em> say it! <em></em>				
Mira en Barranquilla se baila así				
She's so sexy every man's fantasy				
A refugee like me back with The Fugees				
from a third world country				
I go back like when Tupac (10) crates				
For Humpty Hump				
I need a whole club dizzy				
Why the CIA wanna watch us?				
Colombians and Haitians				
I ain't guilty, it's a musical transaction				
No more do we snatch ropes				
Refugees run the seas				
Because we own our own boats				
I'm on tonight, my hips don't lie				
And I'm starting to feel you boy				
Come on let's go, real slow				
Baby, like this is <em>perfecto</em>				
Oh, you know I am on tonight				
And my hips don't lie				

And I am starting to feel it's right
