Everything has changed by Taylor Swift

All I knew this morning when I woke is
I know something now, know something now I didn't before
And all I've seen since 18 hours ago is
Green eyes and freckles and your smile
In the back of my mind making me feel like
I just want to know you better, know you better
(1)_____ you better now
I just want to know you better, know you better
Know you better now
I just want to know you better, (2)_____ you better
Know you better now
I just want to know you, know you, know you
Because all I know is we said hello
And your eyes look like coming home
All I know is a simple name and everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I know since yesterday is everything has changed
And all my walls
Stood tall painted blue
But I'll take them down, take them (3)_____
And open up the door for you
And all I feel in my (4)_____ is butterflies
The beautiful kind making up for lost time
Taking flight, making me feel like
I just (5)_____ to know you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I (6)_____ want to know you, (7)_____ you, know you
Because all I know is we said hello
And your eyes look like coming home
All I know is a simple name and (8)_____ has changed
All I know is you held the door

All I know since yesterday is everything has changed
Come (9)_____ and tell me why I'm feeling like
I've missed you all this time
And meet me there tonight
And let me know that it's not all in my mind
I just want to know you better, know you better
Know you better now
I just want to know you, know you, know you
Because all I know is we said hello

All I know since yesterday is everything has changed
All I (10)_____ is we said hello
So dust off your highest hopes
