The Star Wars that I used to know by Teddie Films

Now and then I think of when I was in power
Like choking people with the Force until they died
But then you told them all my history
And took away my masculinity
And had my character portrayed by subpar actors
You are now addicted to an overuse of graphics
And making Greedo shoot first? Han shot first!
So when you tried to have the Force make sense
You introduced the midichlorians
And what's the deal with having me be (1)_____ over
But you didn't have to change it all
(2)_____ them like they never happened
And the (3)_____ are nothing
I don't even need your love
But you treat me like a Bantha and that (4)_____ so rough
No you didn't have to make them blow
Have your friends direct your movies
And they'll turn out better
You think that you don't need them though
What happened to the Star Wars that I used to know?
What happened to the (5)_____ Wars that I used to know
What (6)_____ to the Star Wars that I used to know
What happened to the Star Wars that I used to know
Now and then I think of all the times
I screwed fans over
I had them believing that the first three films
Were really done
But Star Wars will be done my way
I don't care what they have to say
I think that they should let it go
Or they'll never get the Blu-Ray
Of the Star Wars that you used to know
You didn't have to change it all
No more puppets, no more practical effects or nothing
I don't even need your love
But you treat me like a Bantha and that feels so cold
No you didn't have to sell your soul
Do we really need to watch them all again in 3D?
Jar Jar was an all time low
(7)_____ happened to the Star Wars that I used to know?
The movies
I (8)_____ to know
The movies
What happened to the (9)_____ Wars that I used to know?
