

Be in my eyes

## Fill in the gaps

## Flowers in your hair by The Lumineers

(1) we were younger we thought	Be in my heart
Everyone was on our side	So now I (5) that I could
Then we grew a little bit	(6) you back
And romanticized the time I saw	And I hope it's not too (7)
(2) in your hair	Because you're attractive
So It takes a boy to live	And the way you move
It takes a man to pretend he was there	I (8) close my eyes
So then we grew a little and (3) a lot	So it takes a man to live
And now we demonstrated it to the cops	It takes a woman to (9) him compromise
And all the (4) what we said	So be in my eyes
We were self-assured	And be in my heart
Because it's a long road to wisdom	Be in my eyes
But it's a short one to being ignored	Be in my heart
Be in my eyes	
And be in my heart
