Those that try (1) once	You never ask wny
(2) we care about the only ones?	You never ask why
All the time that I need is never quite enough	You're living a lie
All the time that I have is all that's necessary	Baby you're flying too high
You're living a lie	You never ask why
You're living a lie	You never ask why
You're living too fast	You're living a lie
You gotta (3) for the best	Baby you're flying too high
You (4) ask why	Don't get on the phone
You never ask why	Don't reach for the door
You're living a lie	You know the (9) that you're looking for
Baby you're (5) too high	You're living a lie
No one talks (6) the war	You're living a lie
On my block, or by the shore	You're (10) too fast
All alone in a room	You gotta pray for the best
Do you (7) (8) I want too?	You never ask why
All the time in the world	You never ask why
Is all that's necessary	You're living a lie
You're living a lie	Baby you're flying too high
You're living a lie	
You're living too fast
