Now it's three in the morning and you're eating alone

Oh, the heart beats in its cage

All our friends they're laughing at us

All of those you love, you mistrust

Help me I'm just not quite myself

Look around there's no one else left

I went to the concert and

I fought through the crowd

Guess I got too excited when

I thought you were around

Oh he gets left, left, left, left
