Need your love by The Temper Trap

The road is pulling me into her open web		I need to love, I need your love,
And for a moment I (1) and I forget		I need you know, I need you
The silhouettes behind the dust clouds call me friend		I need to love, I need your love,
But even fools know here		I (8) you know, I need your love
They're far and few between		I need to love, I need your love,
She has abandoned me on (2)	and	I need you know, I need you
desert plains		I need to love, I need your love,
Of lonely creatures singing for the summer rain		I need you know
And at the end of all your knees fall down to me		There is no resting in my heart
Yeah it's (3) in you (4)		There is no resting in my heart
yearns for someone real		There is no resting now
I need to love, I need (5) love,		(9) is no resting in my heart
I need you know, I need you		There is no resting in my heart
I need to love, I need your love,		There is no resting for the one you love
I need you know, I (6) you		
She is my salvation in the dark		
But at (7) with lips of honey calls the devil's		
wh*re		
And I am a war of flesh and heart that's left undone		
Between the person that I was and have become
