## Reboot the mission by The Wallflowers

Where you're going has no signs	-You've had it coming-
And you're not going in a straight line	I lost my sight
You ought to (1) me on your mind	But not the vision
I dare you to think otherwise	Eyes on the prize
Under the water, more water	(9) the mission
You keep (2) and you won't be recovered	-You had it coming-
You (3) a clue	I lost my sight
Now come in closer	But not the vision
I wanna tell you, you had it coming	No matter how you use it, (10) way you swing
(4) on the prize	Even the (11) day at some point ends
Reboot the mission	Now, throw (12) (13) off, hat in the
-You had it coming-	ring
I lost my sight	Show me a hook shot, the (14) thing
But not the vision	Now, welcome Jack, the new drummer
Eyes on the prize	He jammed (15) the mighty Joe Strummer
Reboot the mission	I see Rami, (16) and Stuart
-You had it coming-	-What's up Jake?-
I lost my sight	I've gotta say Jay: we had it coming
But not the vision	Eyes on the prize
Move (5) body, look alive	Reboot the mission
Don't you think it (6) out sometime?	-Had (17) coming-
It's even better than you've implied	I lost my sight
Dice on the table, let it ride	But not the vision
The movie's showing over the buildings	(18) on the prize
Midnight shifts are just beginning	Reboot the mission
Let (7) hair down, I (8) you singing	I lost my sight
I've gotta say it: you had it coming	But not the vision
Eyes on the prize	-Had this coming-
Reboot the mission
