Last mile of the way by Westlife

Fill in the gaps

I want you with me
When the (1) starts to shake
I want you with me
Each day when I wake
And I hope you forgive me
All my mistakes
And yes, I'll be with you
To the last mile of the way
Like day turns to night
Stone turns to dust
Like life becomes memories
Steel (2) rust
Pain's just a lesson learned
(3) look back one day
And I'll (4) you with me
To the (5) mile of the way
To the (6) of the way
To the last (8) of the way
It's time to move on now
So don't be afraid
We should remember
The roles that we played
Whether the future
Has dark or bright days
I will still (9) you
Yeah, to the last mile of the way
To the (10) mile of the way
To the last mile of the way
