

Fill in the gaps

You could never know what it's like		Looking like a true survivor			
Your blood like (1) freezes	just like ice	Feeling like	e a little kid		
And there's a cold and lonely light		And I'm st	ill (6)	after all	(7)
That shines from you		time			
You'll wind up like the wreck you hide		Picking up the pieces of my life			
Behind that mask you use		Without yo	u on my mind		
And did you think this (2) could never win		I'm still standing			
Well look at me, I'm coming back again		Yeah yeah yeah			
I got a taste of love in a simple way		I'm still standing			
And if you need to know while I'm still standing		Yeah yeah yeah			
You just fade away		Don't you know that			
Don't you know I'm (3) standir	ng	I'm still (8	3)	better than I	(9)
Better (4) I ever did		did			
Looking like a true survivor		Looking lik	e a (10) su	ırvivor	
Feeling like a little kid		Feeling like	e a little kid		
And I'm still standing after all (5) time		I'm still standing after all this time			
Picking up the pieces of my life		Picking up the pieces of my life			
Without you on my mind		Without you on my mind			
I'm still standing		I'm still standing			
Yeah yeah yeah		Yeah yeah yeah			
I'm still standing		I'm still standing			
Yeah yeah yeah		Yeah yeah yeah			
Once I never could hope to win		I'm still standing			
You starting down the road leaving me again		Yeah yeah yeah			
The threats you made		I'm still standing			
Were meant to cut me down		Yeah yeah			
And if our love was just a circus		I'm still standing			
You'd be a clown by now		Yeah yeah			
You know, I'm still standing		I'm still standing			
Better than I ever did
