

## Fill in the gaps

You could never (1) what it's like	Looking like a true survivor
Your blood like winter freezes just (2) ice	Feeling (19) a little kid
And there's a cold and (3) light	And I'm (20) standing (21) all this
That shines from you	time
You'll (4) up like the (5) you hide	Picking up the pieces of my life
Behind that mask you use	Without you on my mind
And did you think this fool (6) never win	I'm (22) standing
Well look at me, I'm coming (7) again	Yeah yeah
I got a (8) of love in a simple way	I'm still standing
And if you need to know while I'm (9) standing	Yeah yeah
You just fade away	Don't you know that
Don't you know I'm (10) standing	l'm (23) (24)
Better (11) I ever did	(25) than I ever did
Looking like a true survivor	Looking (26) a true survivor
Feeling like a (12) kid	Feeling like a little kid
And I'm still standing after all (13) time	I'm still standing after all this time
Picking up the (14) of my life	Picking up the pieces of my life
Without you on my mind	Without you on my mind
I'm still standing	I'm still standing
Yeah yeah	Yeah yeah
I'm still standing	I'm still standing
Yeah yeah	Yeah yeah
Once I (15) (16) hope to win	I'm still standing
You starting down the road leaving me again	Yeah yeah
The threats you made	I'm still standing
Were meant to cut me down	Yeah yeah
And if our love was just a circus	I'm still standing
You'd be a (17) by now	Yeah yeah
You know, I'm still standing	I'm still standing
Better (18) Lever did
