

## Fill in the gaps

It's a little bit funny	But the sun's been quit
This feeling inside	While I wrote this song
I'm not one of (1) who can	It's for people like you t
Easily hide	Keep it (7)
I don't (2) much money but	So excuse me forgetting
Boy if I did	But (8) th
I'd buy a big house where	I've forgotten if they're
We both could live	Or they're blue
If I was a sculptor	Anyway the thing is
But then again, no	What I really mean
Or a man	Yours are the sweetest
Who makes potions in a	I've ever seen
A travelling show	And you can tell everyb
I know it's not much	This is your song
But it's the best I can do	It may be quite simple I
My gift is my (3) and	Now that it's done
This one's for you	I (9) you do
You can tell everybody	I hope you don't mind
This is your song	That I put down in word
It may be quite simple but	How (10)
Now that it's done	While you're in the wor
I (4) you don't mind	I hope you don't mind
I (5) you don't mind	I hope you don't mind
That I put down in words	That I put down in word
How wonderful life is	How wonderful life is
While you're in the world	While you're in the wor
I sat on the roof	
And kicked off the moss, well a few	
Of the verses	
Well they've got me (6) cross
