

Fill in the gaps

(And I hope and I hope)	But I know in time we'll (13) this was no surprise
I've practiced this for hours, gone round and round	Our favorite (14) we used to go
And now I think that I've got it all down	The warm embrace (15) no one knows
And as I say it louder, I love how it sounds	The lovin' (16) that's left your eyes
'Cause I'm not (1) the easy way out	That's why this comes as no, as no surprise
Not wrappin' this in ribbons	If I (17) see the future and how (18)
Shouldn't have to give a reason why	plays out
It's no surprise. I won't be here tomorrow	I bet it's better (19) where we are now
I can't believe (2) I stayed 'til today	But after going through this
Yeah you and I will be a (3) act to follow	It's easier to see the reason why
But I know in (4) we'll find (5) was no	It's no surprise I won't be here tomorrow
surprise	I can't believe (20) I stayed 'til today (stayed 'til
It came out like a river, (6) I let it out	today)
When I thought that I wouldn't know how	Yeah you and I will be a tough act to follow
Held onto it forever, just pushing it down	But I (21) in (22) we'll find this was no
It (7) so good to let go of it now	surprise
Not wrapping this in ribbons	The kiss goodnight, it comes with me
Shouldn't have to give a reason why	Both wrong and right, our memories (our memories)
It's no surprise. I won't be here tomorrow	The whispering before we sleep,
I can't believe that I (8) 'til today	Just one more (23) that you can't keep (you
There's nothing here in this (9) left to borrow	can't keep)
There's nothing here in this soul left to save	Our favorite place we (24) to go
Don't be (10) when we hate this	The (25) embrace that no one knows
tomorrow	The lovin' look that's left (26) eyes
God knows we (11) to find an	But I know in time we'll (27) this was no surprise
(12) way	(And I hope, and I hope, and I hope, and I hope, and I hope.)
Yeah you and I will be a tough act to follow
