I Love My Computer by Bad Religion

I love my computer

You (1)_____ me feel alright

Every waking hour

And (2)_____ lonely night

I love my computer

For all you give to me:

Predictable (3)_____ and no identity

And it's (4)_____ been quite so easy

I've never been quite so happy

All I need to do is (5)_____ on you

And we'll be joined

In the most soul-less way

And we'll never ruin each other's day

'cuz when I'm through I just click

And you just go away

I love my computer

You're always in the mood

I get so turned on

When I turn on you

I love my computer

You never ask for more

You can be a princess

Or you can be my whore

And it's (6)_____ been (7)_____ so easy

I've never been quite so happy

The world outside is so big

But it's safe in my domain

Because to you

I'm just a number

And a clever screen name

All I (8)_____ to do is (9)_____ on you

And we'll be together for eternity

And no one is ever gonna take my love

From me (10)_____ I've got security

Her password and a key
