

## Fill in the gaps

We're a (1)	miles from comfort
We have travelled land and sea	
But as long as you are with me	
There's no place I'd rather be	
I would have (2)	forever
Exalted in the scene	
As long as I am with you	
My heart continues to beat	
With every step we take	
Kyoto to the bay	
Strolling so casually	
We're different and the same	
Get you another name	
Switch up the batteries	
If you gave me a chance	
I (3) (4)	it
It's a shot in the dark	
But I'll make it	
Know with all of your heart	
You can't shake me	
When I am with you	
There's no place I'd rather be	
No no, no place I'd rather be	
No no, no place I'd rather be	
No no, no place I'd rather be	
We set out on a mission	
To find our inner peace	
Make it everlasting	
So nothing is incomplete	
It's easy being with you	
Sacred simplicity	
As long as we're together	
There's no place I'd rather be	
With every step we take
