

## Fill in the gaps

The more you see, the less you know	What happened to the (5) I had inside of me
The less you find out as you go	And I miss you when you're not around
I knew much more (1) than I do now	I'm getting ready to leave the ground
Neon heart day-glow eyes	Ooh ooh ooh
A city lit by fireflies	Ooh ooh ooh
They're advertising in the (2)	Oh you look so (6) tonight
For people (3) us	In the city of blinding lights
And I miss you when (4) not around	Time Time Time
I'm getting ready to leave the ground	Time Time
Ooh ooh	Won't (7) me as I am
Ooh ooh	But time won't take the boy out of this man
Oh you look so beautiful tonight	Oh you look so beautiful tonight
In the city of blinding lights	Oh you look so beautiful tonight
Don't look before you laugh	Oh you look so beautiful tonight
Look ugly in a photograph	In the city of blinding lights
Flash bulbs purple irises	The more you know the less you feel
The camera can't see	Some pray for others steal
I've seen you walk unafraid	Blessings are not (8) for the ones who kneel
I've seen you in the clothes you made	(9)
Can you see the beauty inside of me?
