

Fill in the gaps

Summer by Calvin Harris

When I met you in the summer

To my heartbeat sound

We (1)_____ in love

As the (2)_____ turned brown

And we (3)_____ be together baby

As (4)_____ as (5)_____ are blue

You act so (6)_____ now

But you lied so soon

When I met you in the summer

When I met you in the summer

To my heartbeat sound

We (7)_____ in love

As the (8)_____ turned brown

And we could be together baby

As long as skies are blue

You act so innocent now

But you lied so soon

When I met you in the summer, in the summer

When I met you in the summer, in the summer
