

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth (1)_____ (2)_____ the
taste of my love?
Will your (3)_____ still smile (4)_____ your cheeks?
Darling I will be (5)_____ you till we're seventy
And baby my heart could (6)_____ feel as hard at
twenty three
And I'm (7)_____ about how
People fall in love in mysterious ways
Maybe (8)_____ the touch of a hand
Well me I fall in love (9)_____ you every single day
And I just want to (10)_____ you I am
So (11)_____ now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your (12)_____ on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my memory fades
And the (13)_____ don't remember my name
When my hands don't play the strings the (14)_____ way

I know you will still love me the same
Because honey (15)_____ soul (16)_____ never
grow old

It's evergreen
And baby (17)_____ smile is forever
In my mind and memory
I'm thinking (18)_____ how
People fall in love in mysterious ways
And maybe it's all part of a plan
I'll (19)_____ keep on making the same mistakes
Hoping that you'll understand
That baby now
Take me into your loving arms
Kiss me under the (20)_____ of a thousand stars
Place (21)_____ (22)_____ on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me into your (23)_____ arms
Kiss me (24)_____ the light of a thousand stars
Oh darling, place your head on my beating heart
I'm (25)_____ out loud
Baby we found love right where we are
Baby we found love (26)_____ (27)_____ we
are
And we found love right where we are

Fill in the gaps

Answer

1. still
