

Fill in the gaps

You (1) (2) much to me	And when the day come
And it's hard to show	It will (12) all been fun
Gets (3) inside of me	We'll (13) about it soon
When you go	And I couldn't spill my heart
Can I confess (4) (5) to you	My eyes gleam (14) in from the dark
Well, I don't know	And I walk out in (15) weather
Embedded in my chest	Hope my words (16) us together
And it hurts to hold	Steady walking but bound to trip
I couldn't spill my heart	Should release but (17) tighten my grip
My (6) (7) looking in (8)	Night time, sympathize
the dark	I've (18) working on white lies
I walk out in stormy weather	So I'll (19) the truth, I'll give it up to you
Hope my words keep us together	And (20) the day come
Steady (9) but bound to trip	It will have all (21) fun
Should release but (10) tighten my grip	We'll (22) it soon
Night time, sympathize	
I've (11) working on white lies	
So I'll tell the truth, I'll give it up to you
