Never Let Me Go by Florence And The Machine

Looking up from underneath,	But the (10) of the ocean deliver me.
Fractured moonlight on the sea	And it's over,
Reflections still (1) the same to me,	And I'm (11) under,
As (2) I went under.	But I'm not giving up!
And it's peaceful in the deep,	I'm just (12) in.
Cathedral, where you can not breathe,	Oh, slipping underneath.
No need to pray, no need to speak	Oh, so cold, but so sweet.
Now I am under, Oh.	In the arms of the ocean, so sweet and so cold,
And it's breaking over me,	And all (13) devotion I (14) knew at
A thousand miles down to the sea bed	all,
Found the place to rest my head.	And the crashes are Heaven, for a sinner released,
Never let me go, never let me go.	And the (15) of the ocean, delivered me.
Never let me go, never let me go.	Never let me go, never let me go.
And the arms of the ocean are carrying me,	Never let me go, (16) let me go.
And all this devotion was rushing out of me,	Delivered me.
And the (3) are heaven, for a sinner	Never let me go, (17) let me go.
(4) me,	Never let me go, never let me go.
But the arms of the (5) delivered me.	Delivered me.
Though the pressure's hard to take,	Never let me go, never let me go.
It's the only way I can escape,	Never let me go, (18) let me go.
It seems a heavy (6) to make,	Never let me go, (19) let me go.
But now I am under, Oh.	Never let me go, never let me go.
And it's breaking over me,	And it's over,
A thousand miles down to the sea bed,	And I'm goin' under,
Found the place to rest my head.	But I'm not givin' up!
Never let me go, (7) let me go.	I'm (20) givin' in.
Never let me go, never let me go.	Oh, slipping underneath.
And the (8) of the ocean are carrying me,	Oh, so cold, but so sweet
And all this devotion was out of me,	
And the crashes are heaven, for a (9) like me,
