

## Fill in the gaps

	Red lights turning
You (1) me down	I can't turn back now
Spin me around	So hold on tight
You got me running all the lights	I don't know (4) the (5) are
Don't make a sound	(6) us
Talk to me now	But something in the night is dangerous
Let me inside your mind	And nothing's holding back the two of us
I don't know what you're thinking, sugar	But, baby, this is getting serious
But I just got that feeling, sugar	Oh oh oh
And I can hear the sirens burning	Detain the dangerous
Red lights turning	Oh oh oh
I can't turn back now	Detain the dangerous
So hold on tight	It's dangerous, so dangerous
I don't know where the lights are (2) us	I (7) do it again
But something in the night is dangerous	Come on, baby
And nothing's holding back the two of us	It's dangerous, so dangerous
But, baby, this is getting serious	I wanna do it again
Oh oh oh	It's dangerous, so dangerous
Detain the dangerous	I wanna do it again
Oh oh oh	I don't know where the (8) are taking us
Show me your soul	But something in the night is dangerous
I gotta know	And nothing's holding (9) the two of us
Bet that you're beautiful inside	But, baby, (10) is getting serious
Toes on the glass	Oh oh oh
Car moving fast	Detain the dangerous
Come take the wheel and drive	Oh oh oh
I don't know what you're thinking, sugar	Detain the dangerous
And I just got that feeling, sugar	
I can hear the (3) burning
