Maybe it was all too much	When it all falls, when it all (16) down
Too much for a man to take	I'll be your fire (17) the lights go out
Everything's bound to break	When there's no one, no one else around
Sooner or later, (1) or later	We'll be two souls in a ghost town
You're all that I can trust	When the world gets cold
Facing the darkest days	I'll be your cover
Everyone ran away	Let's (18) hold
But we're gonna stay here, we're gonna stay here	Onto (19) other
Ahhhhhh, Ahhhhh	When it all falls, when it all (20) down
I (2) you're (3) tonight	We'll be two souls in a (21) town
Ahhhhhh, Ahhhhh	I (22) we're alright
I'll never leave your side	Cause we'll never be alone
When it all falls, (4) it all falls down	In this mad mad, in this mad mad world
I'll be (5) (6) (7) the lights go	Even with no light
out	We're gonna shine (23) gold
When there's no one, no one (8) around	In this mad mad, in this mad mad world
We'll be two souls in a ghost town	When it all falls, when it all (24) down
When the world (9) cold	I'll be your fire when the lights go out
I'll be your cover	When there's no one, no one else around
Let's just hold	We'll be two souls in a ghost town
Onto each other	When it all falls, when it all falls down
When it all falls, when it all falls down	I'll be (25) fire when the lights go out
We'll be two souls in a (10) town	When there's no one, no one else around
Tell me how we got (11) far	We'll be two souls in a (26) town
Every man for himself	When the world gets cold
Everything's gone to hell	I'll be your cover
We (12) stay strong, we're gonna hold on	Let's (27) hold
This world has (13) to dust	Onto (28) other
All we've got left is love	When it all falls, (29) it all (30) down
Might as well start with us	We'll be two souls in a ghost town
Singing a new song, (14) to build on	When it all falls, when it all falls down
Ahhhhhh, Ahhhhh	We'll be two souls in a ghost town
I know you're scared tonight	
Ahhhhhh, Ahhhhh	
I'll never leave (15) side
