

## Fill in the gaps

No no no no,	It's not the end
No no no no	(I gotta keep it strong before the pain turns into fear)
Listen little child, there (1) come a day	So (14) we made it
When you will be able, (2) to say	Time will never change it, no no no
Never (3) the pain or the aggravation	No no no no (You know it's time to say goodbye)
You know there's a better way for you and me to be	The (15) when we would play about
Look for the (4) in every storm	The way we used to scream and shout
Fly (5) an angel (6) sent to me	We never dreamt you'd go your own sweet way
Goodbye my friend	Look for the rainbow in every storm
(I know you're gone, you said you're gone, but I can still feel	Find out for (16) love's gonna be there for
you here)	you
It's not the end	You'll (17) be someone's baby
(I gotta keep it strong before the pain turns (7)	Goodbye my friend
fear)	(I know you're gone, you said you're gone, but I can still feel
So (8) we made it	you here)
Time will (9) change it, no no no	It's not the end
No no no no	(I gotta keep it (18) before the pain
Just a little girl, big imagination	(19) into fear)
Never letting no one take it away	So (20) we (21) it
Went into the world, (10) a revelation	Time will never, never ever change it
She found there's a (11) way for you and me	No no no no (You know it's time to say goodbye)
to be	No no no no (And don't forget you can rely)
Look for the (12) in every storm	No no no no (You (22) it's time to say goodbye,
Find out for certain, love's gonna be there for you	and don't forget on me you can rely)
You'll always be someone's baby	No no no no (I will help, help you on your way, I will be with
Goodbye my friend	you every day)
(I know you're gone, you said you're gone, but I can still	No no no no (I will be (23) you every day)
(13) you here)
