Goodbye by Spice Girls

Fill in the gaps

No no no no,	It's not the end
No no no no	(I gotta keep it strong before the pain turns into fear)
Listen little child, there will come a day	So glad we made it
When you will be able, able to say	Time will never change it, no no no
Never mind the pain or the aggravation	No no no no (You know it's time to say goodbye)
You know there's a better way for you and me to be	The times (6) we would play about
Look for the rainbow in every storm	The way we used to (7) and shout
Fly (1) an angel heaven sent to me	We never dreamt you'd go your own sweet way
Goodbye my friend	Look for the rainbow in (8) storm
(I know you're gone, you said you're gone, but I can still feel	Find out for certain love's gonna be there for you
you here)	You'll always be someone's baby
It's not the end	Goodbye my friend
(I gotta (2) it strong (3) the pain	(I know you're gone, you said you're gone, but I can still
turns into fear)	(9) you here)
So glad we (4) it	It's not the end
Time will never change it, no no no	(I gotta keep it strong before the pain turns into fear)
No no no no	So glad we (10) it
Just a little girl, big imagination	Time will never, never ever change it
Never letting no one take it away	No no no no (You know it's time to say goodbye)
Went into the world, what a revelation	No no no no (And don't forget you can rely)
She found there's a better way for you and me to be	No no no no (You know it's time to say goodbye, and don't
Look for the rainbow in every storm	forget on me you can rely)
Find out for certain, love's gonna be there for you	No no no no (I will help, help you on your way, I will be with
You'll always be someone's baby	you every day)
Goodbye my friend	No no no no (I will be with you every day)
(I know you're gone, you said you're gone, but I can still	
(5) you here)
