

## Fill in the gaps

Turn your face towards the sun	Lost my faith and trust
Let the (1) (2) behind you	You and I know (14) don't turn to rust
Don't look back, just carry on	(Oh, oh)
And the shadows (3) never find you	I still (15) that we can reign
Turn your face towards the sun	Like the kings and queens of better yesterdays
Let the (4) fall behind you	(Oh, oh)
Don't (5) back, just carry on	Don't you know
And the shadows will never (6) you	I've (16) burned, I've been burned, I've been
Lost in the (7) and roll	burned
Got lost in a promise of a love I never know	You've seen me lose control
(Oh, oh)	It's not worth, it's not worth, it's not worth
Shadows chase me far (8) home	My soul
I remember when my heart was filled with gold	Turn (17) face towards the sun
(Oh, oh)	Let the (18) fall behind you
And you know	Don't look back, just carry on
I've been burned, I've been burned, I've been burned	And the shadows will never find you
You've (9) me (10) control	Where you (19) go, (20) you
It's not worth, it's not worth	(21) go
My soul	Where you gonna run to
Turn your (11) (12) the sun	When you get to the (22) of the night?
Let the shadows fall behind you	It's time you (23) the sky, ooh
Don't look back, just carry on	Turn your (24) towards the sun
And the shadows will never (13) you	Let the (25) fall (26) you
