

## Fill in the gaps

Candlelight and soul forever	Get it on, get it on
A dream of you and me together	'Cause tonight is the night
Say you (1) it, say you believe it	When two become one
Free your mind of doubt and danger	I need some love like I never needed love before (Wanna
Be for real, don't be a stranger	make love to ya baby)
We can achieve it, we can achieve it	I had a little love, now I'm back for (5) (Wanna
Come a little bit closer, baby	make love to ya baby)
Get it on, get it on	Set your spirit free
'Cause tonight is the night	It's the only way to be
When two become one	Be a little bit wiser, baby
I need some love like I never needed love before (Wanna	Put it on, put it on
(2) love to ya baby)	'Cause tonight is the night
I had a little love, now I'm back for (3) (Wanna	When two become one
(4) love to ya baby)	I need some love like I never needed love before (Wanna
Set your spirit free	make love to ya baby)
It's the only way to be	I had a little love, now I'm back for more (Wanna make love to
Silly games that you were playing	ya baby)
Empty words we both were saying	I need some love like I never needed (6)
Let's work it out boy, let's work it out boy	(7) (Wanna (8) love to ya baby)
Once again, if we endeavor	I had a (9) love, now I'm back for
Love will bring us back together	(10) (Wanna make love to ya baby)
Take it or leave it, take it or leave it	Set your spirit free
Are you as good as I remember, baby	It's the only way to be
	It's the only way to be
	It's the only way to be
